

COVID-19 Office Precautions

What we're doing?

- 1 - Seeing a limited number of patients in the office at one time
- 2 - Taking temperatures of all staff and patients in the office
- 3 - Disinfecting and cleaning of frequently touched areas
- 4 - Wearing all PPE for every patient - KN95 mask, gowns, faceshield
- 5 - Our primary aerosol producing procedure is limited to Fridays only (HVE Vacuum to reduce aerosols followed by 2 days of office closure)

- 6 - Our glass dividers separate patients over 6.5 feet
- 7 - Many appointments are now offered virtually (we will notify you)
- 8 - iPads, kid's area and toothbrushing station are temporarily shut down
- 9 - Shields at the front desk to protect staff and patients/parents
- 10 - Patients are required to rinse with Peroxyl (1.5% Hydrogen Peroxide)

How you can help?

- 1 - Read/Sign our informed consent when you arrive
- 2 - Parents and guardians are asked to wait in their car or lobby
- 3 - Use the hand sanitizer placed around the office
- 4 - Take advantage of our virtual appointments
- 5 - Reschedule your appointment if you have any symptoms!
